DANCE RECITAL MAY, 19 2019

All Dancers & Tumbling Team

There is a large Dance Recital every other year and we hope you will make this a top priority for your family. Please do not miss class between now and the recital.

Students do not have to participate; however, please let Ms. Kem know if your child will not be participating as soon as possible to facility choreography, preparation and costuming.

There will be two REQUIRED rehearsals at the auditorium. Full Dress Rehearsal will be May 18th. The other rehearsal will be announced in January. It is essential that all participants attend. These are not lessons but an on-stage run through of the performance. Students missing both rehearsals will not be able to be in the recital.

The date for the first required rehearsal will be announced in January.

Each class will have four to six extra lessons on Saturday or Sunday, either as make-up lessons for classes missed and/or to prepare for the recital. Practice times will be set so that the most amount of students can attend each one. If you say you can come—please be there.

COSTUME MONEY

Costumes cannot be ordered without payment. Costumes will cost \$55 to \$75 each. This does not include tights, shoes & additional accessories.

ENROLLMENT POLICY

Because all of the student's accounts automatically carry over from one trimester session to another, your place in a class is guaranteed. This is a convenience to you to avoid re-enrolling every trimester.

However, if your child is going to discontinue lessons for any reason, please notify us immediately by phone or letter, as we have a waiting list for most of our classes. Charges will be made until notification by a parent.

WEATHER POLICY

If weather causes school to close in Ponca City, for a day or part of a day, the studio will also be closed. Classes will be made up in the spring session.

Please call to confirm weather days: 765-7726

FOOD & WATER

Bring water to class in your own water bottle. Only water is allowed in the dance studio or on the gym floor. Snacks can be enjoyed in the back of the gym. Food and any drinks besides water are not allowed in the gym or dance studio.
